VICTORIAN STATISTICS

PUBLICATION NO.33/1967

PRODUCTION STATISTICS - FEBRUARY 1967 : Bulletin No.195

This publication contains factory production statistics for February 1967. Details of Australian Production of these items are published in similar form in the Monthly Bulletin of Production Statistics issued by the Head Office of the Bureau in Canberra. Many of these items are shown in greater detail in other publications of the Bureau.

Annual totals for the last two financial years are shown in conjunction with :

- (a) Totals for the most recent three-monthly period together with comparative figures for the same period twelve months earlier; and
- (b) Monthly totals for each of the latest thirteen months.

Figures for 1964-65, represent totals derived, where possible, from annual factory returns. It should be noted that for some factories, annual returns are accepted for a period other than the normal financial year ended June 30. Previously published monthly figures will not necessarily add to the finally accepted 1964-65 totals.

From July 1965 onwards, figures are preliminary and subject to revision.

NOTE: Where figures have been rounded in this publication, any discrepancies between totals and sums of components are due to rounding.

DEFINITION: For the purpose of the accompanying statistics, a "factory" is defined as "an establishment in which four or more persons are employed or where power (other than manual) is used in any manufacturing process".

SYMBOLS: The following symbols are used in the Bulletin :

- n.a. Not available or not available for publication.
- .. Nil or less than half the final digit normally shown.
- r Revised.

A blank space in a column of figures means that the relevant figures was not available at the time of going to press.

SOURCES OF INFORMATION: Statistics of the following items are supplied by Authorities shown :

Black Coal, Brown Coal, Gold:	State Department of Mines
Sawn Native Timber:	Forests Commission of Victoria
Superphosphate:	Commonwealth Department of Primary Industry
Tobacco, Cigars and Cigarettes:	Commonwealth Department of Customs and Excise

Details of other items are collected by the Deputy Commonwealth Statistician.

NOTE: Inquiries concerning these statistics may be made in Melbourne by telephoning 63-6341, Extension 233.

V.H. ARNOLD
Deputy Commonwealth Statistician
and Government Statist
